Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and /or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.3.12. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The following claim and specification have been amended upon agreement by applicant during a telephone conversation with Mr. Klaus J. Bach on March 18, 2005.

In specification, page 9, line 25, the phrase "conductors 3" has been changed to –conductors 13--; line 31, the phrase "insulation 14" has been changed to –insulation 15--.

In claim 5, line 2, the word "VELCRO" has been changed to –hook and loop--.

Reasons for Allowance

3. Claims 1-9 are allowed.

The following is an examiner's statement of reason for allowance:

None of the references of record teaches or suggests the claimed a belt coil as a transmitter/receiver antenna in transponder apparatus for medical and veterinary applications, along with all the other claimed feature, conductor tape including at least one electrically insulated flexible conductor extending on said tape in parallel arrangement with any additional conductor, **a resilient section** and each conductor being longitudinally expandable along the resilient section of said conductor tape, a **connector member** being insertable into, and lockable in engagement with, each other, said **connector member including contact structures** which are joined when the
